ASSOCIATION OF FREE LUTHERAN CONGREGATIONS

Greetings in Jesus' Name.

It is with great joy I commend to you Steve and Glenda Kvale. I have only known them for several years. They have a love for the lost and their desire to reach them for eternity.

The Kvales are faithful members at one of our AFLC congregations. Glenda attended and graduated from The Association of Free Lutheran Bible School in 1987.

The Kvales have been accepted as AFLC Missionaries and have been loaned to Wycliffe Bible Translators. I praise God for the step of faith the Kvale's are making as they go into full time ministry with Wycliffe and ask that you would welcome them into your hearts. Please pray for them and consider supporting them financially.

In His service,
