Dear Friends,

“Praise the Lord! Praise God in his sanctuary; praise Him in the heavens of His power!

Praise Him for His mighty acts; praise Him according to the abundance of his greatness!” Psalm 150: 1 - 2 (Amplified)

Praising God for:

- You and your faithful financial and prayer support.
- The arrival of a Cessna 206 maintenance trainer from Papua New Guinea. This is a huge answer to a prayer that you have shared in. The arrival of the third Kodiak in PNG made it possible for this Cessna to be returned to Waxhaw.
- A good season of successful aviation technical evaluations.
- Training for furloughing mechanics.
- The opportunity to train over 1,000 people in child safety this year. Earlier this month, I did training for our high school students. There was real spiritual battle before my presentation. As I closed the training, I shared with the students that if they had anything to share they could talk with the youth workers or me. I got a call early the next day from one of the leaders saying that after the meeting a young man who lives in the community and whose parents aren't with JAARS shared that he was a victim. The authorities were contacted. I praise God that the truth has been brought to light. Thank you for bringing help to this family.

We want to pray more specifically for you. Can you please send us your prayer requests. It is our honor to pray with and for you.

Serving together,
